Tax Information Form

Why you need to complete this form

The Foreign Account Tax Compliance Act (**FATCA**) and Common Reporting Standard (**CRS**) are regulatory requirements that aim to deter tax evasion by US and other foreign taxpayers. The Australian and many other foreign Governments (through their tax offices) have an agreement which means we must ask you, and you must answer, these questions. Information we gather is reported to the Australian Taxation Office (**ATO**) and in turn to global tax authorities. For more information, visit ato.gov.au.

If you are unsure of any of the answers, please contact a legal or accounting professional.

Which sections of the form should you complete?

- Superannuation funds, testamentary trusts, registered charities – **Section 1**
- Individuals – **Section 2**
- Companies and other trusts – **Section 3**

What if more than one person is applying?

Each individual investor will need to complete a copy of this form.

HELP

Tell me about tax residence

You can be a resident of more than one country for tax purposes. Whether you are tax resident of a particular country for tax purposes is often based on the amount of time you spend in a country and the location of your residence and/or place of work. If you pay tax or have a tax liability somewhere, you are probably a tax resident there. Dual citizenship often brings dual tax residency. It depends on the country. For the US, tax residency can be a result of citizenship or residency for tax purposes.

If you're unsure, ask someone who knows, usually your accountant.

SECTION 1 SUPERANNUATION FUNDS AND OTHER SPECIAL TRUSTS

1. Are you a superannuation or other special type of trust?

HELP

What is a GIIN?

This stands for Global Intermediary Identification Number. GIINs are 19 digits long, issued by US tax authorities (the IRS) to non US financial institutions and sponsoring entities for purposes of identifying their registration with the IRS under US tax laws (called FATCA).

HELP

What is a financial institution?

This includes:

- **an investment entity** - any entity that conducts certain activities or operations for or on behalf of a customer, including:
 - 'trading in money market instruments' and other relevant instruments
 - 'individual and collective portfolio management'
 - 'investing, administering, or managing funds or money on behalf of other persons'.

However, any trading, investing, administering or managing of **financial assets** on behalf of other persons must be done **as a business**. Note that **financial assets** does not include direct interests in real property.

An entity is also an investment entity if it is managed by another entity that is an investment entity.

An investment entity is generally only capable of including a trust if the trust's gross income is primarily attributable to investing, reinvesting, or trading in financial assets and the trust is managed by an entity that is a financial institution in its own right or otherwise is primarily conducting a business of trading, investing, managing or administering financial assets on behalf of other persons.

So, as general rules:

- managed investment schemes are investment entities
- trusts with professional corporate trustees (and often professional corporate investment managers) often are investment entities, such as unregistered (wholesale) managed investment schemes
- discretionary family trusts are not usually investment entities, even if they have someone managing the trust's assets for them.

The ATO gives some help in this, and it's worth seeking advice if you are unsure:

ato.gov.au/General/International-tax-agreements/In-detail/International-arrangements/FATCA-detailed-guidance

- **a depository institution**
you accept deposits in the ordinary course of a banking or similar business e.g. a bank
- **a custodial institution**
a substantial portion of your business (20 per cent plus of gross income) is held in financial assets for the account of others e.g. a custodian
- **certain prescribed entities**
e.g. types of insurance companies that have cash value products or annuities.

HELP

What is 'active' and 'passive'?

- **If you are answering this question, then relevant tax laws categorise you as a 'non-financial entity'.**
- **We require less information from active non-financial entities, and more information from passive non-financial entities.**
- **Please tell us if you are active or passive.**
- **You are active if you are not passive.**
- **Passive: because our income and assets are mostly passive.**
During the previous financial year, 50% or more of our gross income was passive income and 50% or more of our assets during that financial year were assets that produced or were held for the production of passive income. Passive assets are assets such as equities and debt securities that produce investment income such as dividends, interests, royalties and annuities.
- **Passive: because we are not really a business.** We are established and operated exclusively for: religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; as a professional organisation, business league, chamber of commerce, labour organisation, agricultural or horticultural organisation, civic league; or as an organisation operated exclusively for the promotion of social welfare.
- **Passive: because we are exempt from Australian income tax.**
- **Other categories of passive?** They exist but are less common.

Get advice if you are unsure.

9. Do you have any 'controlling persons' who are resident of another country for tax purposes?

I am passive, and **YES** I do have controlling persons who are resident of another country for tax purposes

Complete the **controlling persons details** in the table below

▶ then go to **Section 4 Signatures**.

If there is not enough room in the table, please copy the page and attach it to your completed form.

I am passive, but **NO** I do not have controlling persons who are resident of another country for tax purposes

It would be unusual to think of no-one. Please read the **HELP** box. If you're sure ▶ go to **Section 4 Signatures**.

HELP

Controlling persons

- **Controlling persons** are the natural persons who:
 - are residents of another country for tax purposes, and
 - exercise **practical control** over you.
- When thinking about control, start by thinking about the people who have ownership interests:
 - if you are a **company**, think first about shareholders
 - if you are a **discretionary trust**, list the beneficiaries who were paid a distribution this financial year
 - if you are trustee of a **deceased estate**, the executor is usually the person in control
 - if you are **another type of trust** (perhaps a unitised investment trust), think first about the unit holders or beneficiaries, and also consider the role of any 'settlor'.
- For companies, use 25% as a touchstone – if a person holds 25% of more of the issued capital or voting rights, best to list them.
- For trusts (other than discretionary trusts), law requires that you list all beneficiaries, and also requires that you drill down through the chain of control or ownership to find the natural persons that ultimately control the trust.
- Where no natural persons exercise control through ownership, consider who might exercise control through other means – directors and perhaps senior managing officials.
